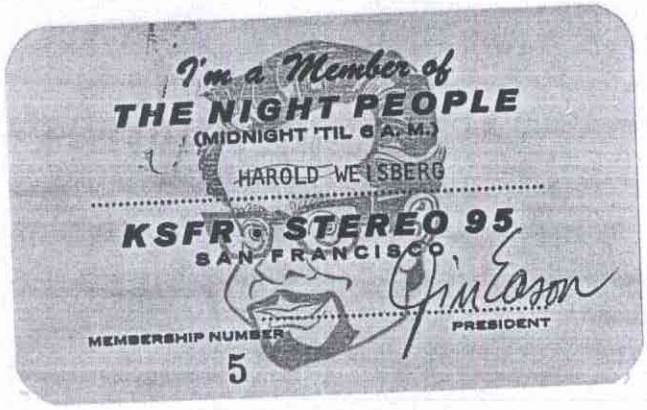
Hi:

I appreciate your help in getting NIGHT PEOPLE off to a flying start.

It's been six months since I first opened the show on KSFR, and it's been a gas, but you helped make it all easier.

I'd send you a groovy gift if I could, but I can't, so please accept Charter Membership in the club as a small token of my thanks.

You're in good company.


Jim Eason,
NIGHT PEOPLE
